Program Description Main Site/Satellites – February 2010

For more information and program inquiries, please call 416-496-2601 to speak to a program facilitator.

Pre-Registered Programs

Can Your Baby Hear?

All newborn babies 0 to 6 months can have their hearing screened. For an appointment, please call 416-338-8255.

Caregivers Fun With Learning (0-6years)

This program is for home caregivers and their children, providing opportunities to learn while they play. Reading, math concepts, arts and crafts, cooperation games, puzzles, music and movement are included.

Programs for All Ages (0-6 years)

Family Time

Family Time is for parents, caregivers and their children to meet others and play interactively in an early learning environment. The program includes arts and crafts, music, pre-reading and math concepts.

Storytime and More

This program focuses on a specific children's story each week. The story is enhanced through dramatic and creative activities where children are encouraged to participate.

Toddler/Preschool Programs

Tot Stop

(18-30 months)

This program focuses on toddlers' development through play. The program includes arts and crafts, sensory activities, songs and rhymes.

Creative Movement

(18 months – 6 years)

This program fosters development in listening skills, auditory awareness, speech and language development and involves both large and fine motor skills.

Infant Programs (0 –18 months)

Babies In Playland

This program focuses on babies' early development. It provides parents and caregivers learning opportunities on infant development through social and interactive play.

Parent Chat

(0 – 6 years)

Join us for discussions on parenting, and early child development. Please see the calendar for more details.

Make The Connection: Infant

(0 – 12 months)

This program helps parents interact with their babies in a way that promotes secure attachment, communication and brain development.

Open Door

Families are welcome to use the playroom and resources. No scheduled programs running.

Children's Caravan

Borrow books, toys and music for your children. Resource material also available.

(Joint venture of Better Beginnings-NOW CAP-C, Hincks Dellcrest Centre, Family Day Care Services)

Preschool Fun With Learning

(2 ½-5 years)

This program provides parents, caregivers and their children opportunities to learn while they play. Activities include pre-reading, math concepts, games, puzzles, creative and sensory activities.

Fit & Fun

(18 months – 6 years)

Parents and caregivers will participate with their children in this program that focuses on basic physical activity skills. The program includes warm up and cool down, exercises from the Rainbow Fun program, musical movement and games.

The Incredible Years

(2 – 6 years)

This program will interest parents wanting to learn more about play, praise, rewards, limit setting, problem solving and handling difficult behaviour with their child.

D.E.A.R. Time

Families are welcome to join us for Drop Everything And Read! Facilitators will join the families for a group story, and time will be incorporated for parents and caregivers to share more books with their children.

Discovery Time

2 ½ - 5 years

Come and explore the wonderful and exciting world of science through hands on experiments, observations and discussion. Discovery Time provides parents and caregivers an opportunity to bring science into the home.
