# Program Description Main Site– Summer 2010

For more information and program inquiries, please call 416-496-2601 to speak to a program facilitator.

## Pre-Registered Programs

### Can Your Baby Hear?

All newborn babies 0 to 6 months can have their hearing screened. For an appointment, please call 416-338-8255.

### Me & Dad

#### (0-6 years)

This program is for dads, uncles and grandpas to have special fun time with their children. The program includes arts and crafts, music and movement, as well as discussions on child development that will help foster a positive relationship between adult and child.

### Living & Learning with Baby

#### (6 weeks – 6 months)

A free program provided by Toronto Public Health. Come and meet other parents and talk about a variety of topics including adjusting to parenthood, infant nutrition, growth and development, and community resources available to you.

## Programs for All Ages (0-6 years)

### Family Time

Family Time is for parents, caregivers and their children to meet others and play interactively in an early learning environment. The program includes arts and crafts, music, pre-reading and math concepts.

### D.E.A.R. Time

Families are welcome to join us for Drop Everything And Read! Facilitators will join the families for a group story, and time will be incorporated for parents and caregivers to share more books with their children.

### Open Door

Families are welcome to use the playroom and resources. No scheduled program running.

### Children's Caravan

Borrow books, toys and music for your children. Resource material also available.  
*(Joint venture of Better Beginnings-NOW CAP-C, Hincks Dellcrest Centre, Family Day Care Services)*

### Run, Learn & Explore Outdoors

The program will run in the park near 65 Forest Manor Road, weather permitting. The program will not run during inclement weather conditions such as high humidity, smog advisories, heat advisories and rain.

## Toddler/Preschool Programs

### Tot Stop

#### (18-30 months)

This program focuses on toddlers' development through play. The program includes arts and crafts, sensory activities, songs and rhymes.

### Creative Movement

#### (18 months – 6 years)

This program fosters development in listening skills, auditory awareness, speech and language development and involves both large and fine motor skills.

### Preschool Fun With Learning

#### (2 ½-5 years)

This program provides parents, caregivers and their children opportunities to learn while they play. Activities include pre-reading, math concepts, games, puzzles, creative and sensory activities.

## Infant Programs (0 –18 months)

### Babies In Playland

This program focuses on babies' early development. It provides parents and caregivers learning opportunities on infant development through social and interactive play.
